(checks and balances in government)

ANALYSIS BY LEGISLATIVE COUNCIL

[CHAIRMAN'S DRAFT]

1 Proposition ____ would amend the Arizona Constitution to provide that the United
2 States Constitution may not be violated by the federal, state or local government. The
3 measure would further provide that people of Arizona are empowered to reject any
4 federal action that the people determine violates the United States Constitution. The
5 rejection could be made by any available legal remedy, including via the initiative and
6 referendum process or by a majority vote of each house of the Legislature, with the
7 signature of the Governor.
